

The soonish to be Rev Scott McCrum joined Perth: St Matthews Parish Church in August 2014 as Probationer Assistant Minister. He studied for a Bachelor of Divinity (ministry) degree at Glasgow Uni & managed to graduate with merit despite being out until all hours playing behind the decks in bars & clubs around Ayrshire & Glasgow most nights!

Scott has a varied background and has been: a factory worker, removal man, team manager in a call centre, Car Sales Exec/Sales Manager, Company Director, Tooth Whitening Consultant, Hair Transplant Consultant (he was the first guy in Scotland to get a "Wayne Rooney,") DJ/Karaoke Host/Quiz Master – so obviously the natural progression from all this was Church of Scotland Ministry!

Scott is also a keen martial artist and holds belts in Wing Chun Kung Fu & Taekwon-Do, he's in the gym practically every day, gets exercise walking his two crazy Border Collies and mainly lives on protein shakes. He loves watching movies & driving fast cars, he recently sold his 911 turbo & has his eye on a Ferrari next. He has an interest in psychology, counselling & generally helping & encouraging people.
